

Create Dramatic Watercolors

Watercolor Workshop for
Intermediate and Advanced Artists
with Irene Dobson

Saturday, February 24 & 25
9:30am-4pm

We will plan our paintings incorporating good composition and design. Atmosphere or mood will be achieved using color, hard and soft edges and using value to direct the viewer's eye. We will experiment with color using triad and complementary color schemes.

Irene Dobson is a graduate of Fashion Institute of Technology and also studied at the Art Students' League in New York. She paints in both watercolor and oils. Her style is influenced by the impressionist painters, primarily French as well as the Spanish and American impressionists. You could describe her work as impressionistic realism.
