

# Silverpoint Workshop

with Fred Gurman

## Saturday, January 20 10am-4pm

Have fun learning to draw in the media of the Old Masters. Learn the techniques needed so that you can take home a beautifully drawn silver image. You will be shown how to prepare a drawing surface that will accept the metal drawing media, how to transfer images, use of the silver and copper on the various drawing surfaces and much more.

If you have an image that you would like to try in silverpoint, bring it along. A complete material package is available for \$20 per person. Materials fee waived if you can bring your own supplies listed below:
