

Beyond Alla Prima

Creative Abstract and Collage Painting with

Tara Funk Grim

This workshop is designed to strengthen your voice by clarifying your thoughts, ideas, interests and feelings and guide them into powerful visual statements. We begin by working with shapes, sizes, and a sense of balance and visit the effects of initial decisions from layout to completion. The magic in the approach is that spontaneity, exploration and discovery are a part of the process. Surprises and new ideas become part of the image as you proceed to layer and integrate collage and papers and acrylic and respond to the materials with experience, intuition, and improvisation.
